

Drum Heater Insulated Blankets

120/400lb Drum Heaters/Warmers

General

Drum heater blankets protect products by maintaining desired temperature through an evenly heated area. Includes an adjustable thermostatic controller that allows setting and managing the material temperatures.

Features:

- Reduce downtime.
- Prevent product waste by evenly maintaining temperatures.
- Can be used on both metal and poly drums.
- Provide an insulated full-wrap design that keeps heat in and cold out.
- Heat, insulate and protect materials year round.
- Certified to UL/CSA/CE standards.
